### Product description

The innovative PurMop® EX40 is a newly developed and specially economic mop for single use in cleanrooms. It comprises a special microfiber cleaning material of 100 % Polyester for a superior cleaning performance. Thanks to its high absorption capacity for fluids it can achieve a superior surface coverage. The good price-performance ratio makes this mop a safe and effective alternative to reusable mops.

- Cleanroom mop with pockets, 40 cm system
- Highest cleaning ability due to special microfiber technology
- Highest area performance through multiple fluid absorbing inserts
- Even and fine fluid distribution on the surface
- Ergonomic handling through ideal gliding properties
