

PurMop® KEK40 Light

Stainless Steel Mop Frame | Foldable | 40 cm System

ISO	3	4	5	6	7	8
GMP		A/B		C	D	

Product description

PurMop® KEK40 Light is a newly developed folding stainless steel mop frame with a number of clever features. The special design without wireframe guarantees an easy cleanability, while the ultra flat design ensures a touchless pickup of mops. The mop frame can be opened with the foot or with the mop discarding mechanism on the trolley and can be fixed for ceiling cleaning with a special locking button. The new design of the KEK40 Light ensures reduced weight for ergonomic cleaning especially for walls and ceilings.

- _ Polished stainless steel, durable design
- _ Reduced weight for overhead cleaning
- _ Optimal for cleaning of floors, walls and ceilings
- _ Autoclavable, suitable for sterile cleanrooms
