

Vornado™

Miniature Vortex Mixer

Features

- Powerful vortexing for tubes up to 50ml
- Insta-Touch™ pressure activated operation
- Very compact, less than 4" wide
- Fits in the palm of your hand
- 2 Year guarantee
- 5 Jazzy colours available to coordinate your application. Grey, blue, green, purple, red.

Overview

Powerful is the best word to describe this mini vortexer. With a 4mm orbit and fixed speed of 2800rpm, the Vornado™ instantly vortexes even the largest samples, including nearly full 50 ml tubes. Despite its powerful motor, the Vornado™ has a footprint of less than 4x4 inches, allowing it to fit on even the most crowded bench. Insta-Touch™ operation means that the motor is automatically activated with slight pressure on the center cup head. Operation is smooth, quiet and efficient. When pressure is removed, operation immediately ceases.

The Vornado™'s unique head design prevents liquids from entering the housing, prolonging motor life.

Technical Data

Speed	2800 rpm
Orbit	4mm
Motor Activation	Insta-Touch™ pressure activation
Dimensions (w x d x h)	3.7 x 3.9 x 2.6in 9.4 x 9.9 x 6.6cm
Weight	1lbs / 0.4kg
Electrical	100-240V, 50-60 Hz, 0.7A
Warranty	2 Years
